

## **2011 D.A.R.E. New Jersey, Inc. Clothing Recycling Program**

D.A.R.E. New Jersey is fortunate to have an ongoing relationship with Northeastern Import-Export, Inc. who operate our clothing recycling program. This relationship has been in place for some time and we have been successful in many placements throughout the state. We have been thrilled by the cleanliness and upkeep of our bins and would like the opportunity to demonstrate this impeccable level of service.

### **ACT NOW!**

As the current budget concerns continue to affect communities across the State of New Jersey, D.A.R.E. is attempting to look 'outside the box' for options to support our local programs. Instead of soliciting one-time monetary donations, we are asking for space to provide a recurring revenue stream. Through placement of D.A.R.E. recycling bins, local and state programs receive an **annual** deposit for **each** recycling bin placed. This annual contribution can assist in off setting the purchase of workbooks, graduation ceremonies and celebrations for the students. Your support of the DARE program is greatly appreciated!

**Contact Maxwell Seeland at D.A.R.E. New Jersey for further details  
and to setup an appointment! (609) 860-6777**

Locations and recycling bin quantities subject to approval by D.A.R.E. New Jersey and Northeastern Import Export, Inc.
